This is a guarantee provided by your own Bank as a Member of the Direct Debit Scheme, in which Banks and Originators of Direct Debits participate.
 If you authorise payment by Direct Debit, then:
 Your Direct Debit Originator will notify you in advance of the amounts to be debited to your account.
 Your Bank will accept and pay such debits, provided that your account has sufficient available funds.
 If it is established that an unauthorised Direct Debit was charged to your account, you are guaranteed an immediate refund by your Bank of the amount so charged where you notify your bank without undue delay on becoming aware of the unauthorised Direct Debit, and in any event no later than 13 months after the date of debiting of such Direct Debit to your account.
 You are entitled to request a refund of any Variable Direct Debit the amount of which exceeded what you could have reasonably expected, subject to you so requesting your Bank within a period of 8 weeks from the date of debiting of such Direct Debit to your account.
 You can instruct your Bank to refuse a Direct Debit payment by writing in good time to your Bank.
 You can cancel the Direct Debit Instruction by writing in good time to your Bank.

Let's Go Walking...

Here are a few useful tips to enjoy your walk and keep your heart healthy.

- If you're not in the habit of taking regular exercise, start slowly, enjoy being out and about and gradually build up to the recommended 30 minutes a day.
- Drink a glass of water before and after your walk and don't forget, wear good, comfortable shoes.
- Gradually warm up at the beginning and cool down towards the end.
- Loose clothing is more comfortable and in winter choose layers rather than thick, chunky clothes.
- Try to incorporate walking into your daily activities. Walk to work, to meetings or the shops. The list is endless.
- If you have a history of heart trouble or other significant medical illness, talk to your doctor before you start. Stop if you experience unusual symptoms such as chest pain, dizziness or breathlessness and consult your doctor.

- Why not invite your friends, family or work colleagues to join you when you go walking.
- Now that you are a regular walker, get fitter and be active for at least 60 minutes a day.

Supported by The Irish Sports Council and the HSE

Slí na Sláinte

A regular programme of walking...

- Keeps your heart strong
 - Improves muscle strength
 - Helps to manage your weight
 - Makes you feel good
- ...but above all walking is fun!

Physical Activity

- Reduces risk for several chronic diseases including heart disease, stroke, high blood pressure, osteoporosis, anxiety and depression.
- For health benefits you need to walk for at least 30 minutes 5 days of the week. You can accumulate the 30 minutes or more over 2 or 3 shorter sessions a day for optimum health benefits.

Help to maintain Slí na Sláinte

Let's Go Walking...

Killorglin Slí na Sláinte

Sponsored by South Kerry Development Partnership LTD,
 Killorglin Tidy Towns and Women 2000

Bog Road Slí na Sláinte 1.5 Km (3km return)
Stealroe Slí na Sláinte 1.7km (3.4km return)

Sponsored by South Kerry Development Partnership LTD, Killorglin Tidy Towns and Women 2000. This Slí na Slainte Project has been co-funded under the Rural Development (LEADER) Programme, administered in this area by the South Kerry Development Partnership Limited.

Slí na Sláinte Stealroe

This linear walk starts at the eastern side of Killorglin's County Bridge, close to the statue of King Puck. The 123 metre long bridge was built in 1885 from local limestone, moved by horse and cart from Stealroe Quarries. Stonecutters shaped each stone by hand to make up the piers, the eight stone arches and the side walls of the bridge. From the bridge, the walk heads away from Killorglin along the Tralee Road.

Not far from the bridge to the right, beside what used to be The Creamery, can be seen the entrance to the peaceful and interesting Dromavalla Graveyard. The walk continues straight along the main Tralee Road until you reach Stealroe Cottages. From here retrace your steps back to the start.

Bog Road Slí na Sláinte

This walk begins at the Blennerhasset Monument in The Fair Field car park (opposite St James' Church). Walk towards the CYMS building and cross Mill Road at the pedestrian lights. Continue to the small roundabout at Library Place. Here is a fine plaza, where you will find Killorglin Library along with the area Council Building, which houses the Bewick Art Collection, open to the public on weekdays. Pass along the plaza and continue on Iveragh Road, known from days gone by as 'the bog road'. Pass Fexco, formerly railway storage buildings (see plaque at Fexco entrance). Continue straight on passing St. Michael's Church and the GAA pitch until you reach the turning point at a stream at Laharn.

The Irish Heart Foundation

The Irish Heart Foundation is the national charity fighting heart disease and stroke. We support, educate and train people to save lives, campaign for patients, promote positive health, support research and provide vital public information. We need your support, through donations, as a volunteer or on our training courses.

Slí na Sláinte

Slí na Sláinte stands for 'path to health'. Developed by the Irish Heart Foundation — the national heart and stroke charity — it's a sociable way to make walking far more enjoyable. Already, it's capturing the attention of young and old, not only in Ireland but in Europe and other parts of the world too! And no wonder, because it's a fun, healthy way for the average adult to accumulate the recommended minimum of thirty minutes of physical activity 5 days of the week. You'll find Slí na Sláinte walking routes all over Ireland. They are marked by bright colourful signposts which are not numbered and are situated at 1km intervals. Simply follow the km signs, set your pace to suit your enjoyment and you'll quickly feel better and get fitter. You will also experience a great sense of achievement.
