This is a guarantee provided by your own Bank as a Member of the Direct Debit Scheme, in which Banks and Originators of Direct Debits participate.
 If you authorise payment by Direct Debit, then:
 Your Direct Debit Originator will notify you in advance of the amounts to be debited to your account.
 Your Bank will accept and pay such debits, provided that your account has sufficient available funds.
 If it is established that an unauthorised Direct Debit was charged to your account, you are guaranteed an immediate refund by your Bank of the amount so charged where you notify your bank without undue delay on becoming aware of the unauthorised Direct Debit, and in any event no later than 13 months after the date of debiting of such Direct Debit to your account.
 You are entitled to request a refund of any Variable Direct Debit the amount of which exceeded what you could have reasonably expected, subject to you so requesting your Bank within a period of 8 weeks from the date of debiting of such Direct Debit to your account.
 You can instruct your Bank to refuse a Direct Debit payment by writing in good time to your Bank.
 You can cancel the Direct Debit Instruction by writing in good time to your Bank.

Let's Go Walking...

Here are a few useful tips to enjoy your walk and keep your heart healthy.

- If you're not in the habit of taking regular exercise, start slowly, enjoy being out and about and gradually build up to the recommended 30 minutes a day.
- Drink a glass of water before and after your walk and don't forget, wear good, comfortable shoes.
- Gradually warm up at the beginning and cool down towards the end.
- Loose clothing is more comfortable and in winter choose layers rather than thick, chunky clothes.
- Try to incorporate walking into your daily activities. Walk to work, to meetings or the shops. The list is endless.
- If you have a history of heart trouble or other significant medical illness, talk to your doctor before you start. Stop if you experience unusual symptoms such as chest pain, dizziness or breathlessness and consult your doctor.
- Why not invite your friends, family or work colleagues to join you when you go walking.
- Now that you are a regular walker, get fitter and be active for at least 60 minutes a day.

AN CHOMHAIRLE SPÓIRT

Supported by The Irish Sports Council and the HSE

Slí na Sláinte

A regular programme of walking...

- Keeps your heart strong
 - Improves muscle strength
 - Helps to manage your weight
 - Makes you feel good
- ...but above all walking is fun!

Physical Activity

- Reduces risk for several chronic diseases including heart disease, stroke, high blood pressure, osteoporosis, anxiety and depression.
- For health benefits you need to walk for at least 30 minutes 5 days of the week. You can accumulate the 30 minutes or more over 2 or 3 shorter sessions a day for optimum health benefits.

Let's Go Walking...

Wicklow Town Slí na Sláinte

Wicklow Town Council and supported by Wicklow County Council and Wicklow Local Sports Partnership

Wicklow Town Slí na Sláinte 7.6km/4.8km

The Wicklow Town Slí na Sláinte is 7.6km in total and can be walked in full or in two alternative routes. The first route option starts at Fitzwilliam Square going along the Port Access (Drumkay) Road and back via the Rathnew Road giving a 4.8km route, the second alternative longer route is via the Marlton Road and Town Relief (Hawkstown) road, back along the Rathnew road giving a 7.6km route.

The walk starts at Fitzwilliam Square, which contains a monument to Captain Robert Halpin, erected in 1897 in recognition of his services to the world of telegraphy in the 19th century. Along the walk there are views of the Leitrim River, Irish Sea and Broadlough with an elevated platform along the Port Access (Drumkay) Road giving a vista of the Black Castle, Brides Head, Broadlough, Ballyguile Hill and Five Mile Point.

Towards the end of the walk you can see the Abbey Grounds, which contain the ruins of a Franciscan Friary/Abbey. This Slí na Sláinte route can be walked in either direction and is both a day and night time route as the walk is fully lit.

The Irish Heart Foundation

The Irish Heart Foundation is the national charity fighting heart disease and stroke. We support, educate and train people to save lives, campaign for patients, promote positive health, support research and provide vital public information. We need your support, through donations, as a volunteer or on our training courses.

Slí na Sláinte

Slí na Sláinte stands for 'path to health'. Developed by the Irish Heart Foundation — the national heart and stroke charity — it's a sociable way to make walking far more enjoyable. Already, it's capturing the attention of young and old, not only in Ireland but in Europe and other parts of the world too! And no wonder, because it's a fun, healthy way for the average adult to accumulate the recommended minimum of thirty minutes of physical activity 5 days of the week. You'll find Slí na Sláinte walking routes all over Ireland. They are marked by bright colourful signposts which are not numbered and are situated at 1km intervals. Simply follow the km signs, set your pace to suit your enjoyment and you'll quickly feel better and get fitter. You will also experience a great sense of achievement.
