Vaping Poster Activity

Using the template on page 2, design a poster to share information about vaping to other students in your school.

Ideas for your poster:

- An attention catching title
- Explain how vaping affects your body
- Explain how vaping impacts the environment
- Describe how vaping brands are targeting young people
- Let students know what they can do to make a change

You can find information for your poster on www.irishheart.ie/vaping or use the factsheet provided by your teacher.

Share your posters with us by email: schools@irishheart.ie or on social media.
