# Let's Go Walking ...

Here are a few useful tips to enjoy your walk and keep your heart healthy.

- If you're not in the habit of taking regular exercise, start slowly, enjoy being out and about and gradually build up to the recommended 30 minutes a day.
- Drink a glass of water before and after your walk and don't forget, wear good, comfortable shoes.
- Gradually warm up at the beginning and cool down towards the end.
- Loose clothing is more comfortable and in winter choose layers rather than thick, chunky clothes.
- Try to incorporate walking into your daily activities.
   Walk to work, to meetings or the shops. The list is endless.
- If you have a history of heart trouble or other significant medical illness, talk to your doctor before you start. Stop if you experience unusual symptoms such as chest pain, dizziness or breathlessness and consult your doctor.
- Why not invite your friends, family or work colleagues to join you when you go walking.
- Now that you are a regular walker, get fitter and be active for at least 60 minutes a day.

## Roscrea Slí na Sláinte

Developed by The Roscrea Trail Blazers and sponsored by Roscrea Lions Club, North Tipperary Co. Co., Roscrea Tidy Towns, Roscrea Credit Union and <u>Roscrea SVDP.</u>

Roscrea (Irish: Ros Cré) is a historical market town in County Tipperary, Ireland. The town is one of the oldest in Ireland which developed around the ancient monastery of St Cronan, parts of which remain preserved today.

Roscrea is a designated Irish Heritage Town due to the extent of important historical buildings that are preserved in the town. Amongst the most notable buildings of interest are the 13th Century Castle and Damer House on Castle Street. Within the town are the remains of the ancient Romanesque doorway and gable-end of St Cronan's Church.

The Round Tower and the High cross of the ancient monastery are also located nearby. Also of interest in the town are the remains of the 15th century Franciscan Friary and Sean Ross Abbeys. All of these you will pass on the Slí na Sláinte route. One of the most famous books produced by the monastery is the Book of Dimma currently on display at Trinity College, Dublin.

Historically, Roscrea was noted as being on one of the ancient highways of Ireland known as the 'Slighe Dala' (meaning parliament way) which stretched from Tara in the east to the city and port of Limerick and the port of Tarbert.

Notable architectural features include the round tower, Roscrea Castle, the Damer House complex and the 'Fancy Fountain'. The latter feature was re-located from the old 'Market Square' at the foot of Main Street to its present site in Rosemary Square from where the walk starts.

#### Slí na Sláinte

Slí na Sláinte stands for 'path to health'. Developed by the Irish Heart Foundation — the national heart and stroke charity — it's a sociable way to make walking far more enjoyable. Already, it's capturing the attention of young and old, not only in Ireland but in Europe and other parts of the world too! And no wonder, because it's a fun, healthy way for the average adult to accumulate the recommended minimum of thirty minutes of physical activity five days of the week.

You'll find Slí na Sláinte walking routes all over Ireland. They are marked by bright colourful signposts which are not numbered and are situated at 1km intervals. Simply follow the km signs, set your pace to suit your enjoyment and you'll quickly feel better and get fitter. You will also experience a great sense of achievement.
