Teacher Notes:

Below you will find signs that can be used as part of the Line as you Like activity. We have also provided signs that match the alternative set ups below.

Choose the signs that are most relevant to your class and your debate.

Alternative Set Up for Moving Debate:

Agree or Disagree: Teacher calls out statements and pupils show whether they agree or disagree by moving to the side of the line that expresses their opinion. The statement can then be discussed as a group taking points from both sides.

True or False: Use as a fun way to learn new facts or revise recent class learning.

Cross the room if....: Teacher calls out statements "cross the room if"(e.g." you have been to France", "you have a sister", "you like dogs") and pupils cross to the opposite side of the room each time if they have/do.
